

ANNOUNCEMENT

The purpose of this announcement is to inform all of you that as of June 1, 2022 we successfully restructured the organization under new management in an effort to better serve the community.

Moving forward, we will operate as Shoshin Ryu Yudanshakai, headquartered in Orange County, California as a non-profit 501(c)(3) organization with Professor Kevin Dalrymple serving as President.

We're truly excited about possible growth and new opportunity that the future holds. Thank you for your loyalty and your continued support of the organization.
